Our own DHS Office of Public Guardian (OPG) clients are in need of a few essential items and we offer this opportunity to fellow Department of Human Services' employees and others to contribute.

Office of Public Guardian clients are adults unable to make basic life decisions for themselves and have no family to advocate for them. Most of our clients live in nursing facilities or group homes and their gift needs are simple. For example, sweats, shoes, Jazz cap, slippers, shirts, pajamas, and bedding items.

Here are two ways you can help this Holiday Season:

- 1) Provide a gift card and OPG staff will use it to purchase needed items.
- 2) Shop and provide for a particular client's needs.

Please give us a call, 801-538-8255, and we will gladly connect you with this opportunity to give, as well as tell you gender, age, sizes and needs of the adults receiving our advocacy.
